Thought for the Week

All Saints' Day reminds us that holiness is not something distant or reserved for extraordinary people. The saints were ordinary men and women who tried to live faithfully, showing kindness, courage, forgiveness, and love in the circumstances of everyday life. The Beatitudes in the Gospel describe the attitudes that helped them become saints: mercy, humility, peacemaking, compassion, and perseverance. In our daily lives, being a saint may mean being patient with a difficult colleague, offering encouragement to someone who is struggling, forgiving a hurt, or making time for a lonely neighbour. It can be seen in parents caring for their families, volunteers giving their time to help others, or someone quietly doing the right thing when nobody notices.

The feast also reminds us that we are surrounded by examples of holiness. Many of us have known people whose faith, generosity, and goodness have inspired us. They may never be formally recognised as saints, but their lives reflect the values that Jesus praises in the Gospel. Their example shows us that becoming a saint begins with small acts of love carried out faithfully each day.

The vision of the great crowd gathered before God is a message of hope. It tells us that people from every nation, background, and walk of life are called to share in God's life. We do not become saints through perfection, but by allowing God's grace to work through us in the ordinary moments of life. As we celebrate All Saints' Day, we might ask ourselves: *Where can I bring more kindness, peace, mercy, or hope today?* The answer may seem small, but it is often through these simple actions that the path to holiness is found.

SECOND COLLECTION

THIS WEEKEND FOR BAMENDA

Each year on the **first Sunday of November** we celebrate the link between our diocese and the **Archdiocese of Bamenda** in Cameroon. It is a time where we also ask for your financial support to help our brothers and sisters, who are still impacted by the civil unrest that has affected the region since 2016. Despite the risks and challenges the archdiocese continues to run its parishes, provide education and health services, and support thousands of displaced people. Currently, most government services in the region are closed and the only services available are those the archdiocese provides to people of all faiths. Donations can be made online, cash or by DONA machine We CAN claim Gift Aid on this collection, so please use your envelopes!

ROSARY

Please join us for the Rosary, we meet every Monday at 10:30am in the church hall.

REMEMBRANCE SUNDAY

A simple Mass of Remembrance will be celebrated at all of our weekend Masses.

Andover Town Remembrance Sunday Service Parade to The Cenotaph at St Mary's Church will begin at 10:35am with wreath laying at 11:00am.

COFFEE MORNING

The next coffee morning is **THIS TUESDAY 3rd** of November after 10:00am Mass. Pop in for a slice of cake and a chat. Everyone is welcome.

ORGAN APPEAL

The organ is the principal instrument of our liturgy, and we are very blessed at **St John the Baptist** to have both a beautiful instrument and talented organists who enrich our worship week by week.

Unfortunately, the organ's amplification system has failed, and we now need to replace the speakers and amplifier. This essential work will also improve the overall sound quality and reliability of the instrument for the future. The total cost, including VAT, is **£6,000**.

Canon Chris would be very grateful for any donations towards this project. Any contribution, however small, will help ensure that the organ continues to support the worship and musical life of our parish for many years to come.

Thank you for your support and generosity
